

## Innovative Food Holdings, Inc. Announces Close of the Sale of igourmet.com Business

September 4, 2024

BONITA SPRINGS, Fla., Sept. 04, 2024 (GLOBE NEWSWIRE) -- Innovative Food Holdings, Inc. (OTCQB: IVFH) ("IVFH" or the "Company"), a national seller of gourmet specialty foods to professional chefs, announced today the close of a transaction to sell its consumer e-commerce business igourmet.com for \$700,000 in cash (\$175,000 of which is due 30 days after closing), plus the assumption of approximately \$350,000 of gift card liabilities. The Company's Pennsylvania facility is not included in the transaction. Acting as sell-side advisors on the transaction were Sampford Advisors, Inc. and Erben M&A Advisors.

Chief Executive Officer Bill Bennett stated, "With today's announcement, we mark continued progress against our strategic stabilization plan of selling off assets that are not a fit for our larger scale, more profitable foodservice business, as first discussed in our November 2023 earnings call. The cash for this sale will be used to invest into our new retailer business, as we ramp up working capital and install new automated machinery to cut, wrap, and label our gourmet cheese at a fraction of the cost of our previous manual operation. We're excited to leverage our expertise and capabilities in gourmet cheese in a significantly more profitable sales channel, and expect to deliver sizable top and bottom line impact for the Company."
